Secondary (7th-12th) ::: 210 Main Street, PO Box 488, Henderson MN 56044 ::: Phone 507.248.3353 ::: Fax 507.248.3604

To Whom it May Concern:

I am writing on behalf of the Minnesota New Country School to express our support of the funding request for the Water Improvement project. This project is very important to our school, students, teachers and for the Henderson community because it will improve our drinking water and eliminate the water quality issues we've been facing for many years. During this time, city water pressure and supply have suffered and the high iron content turns our water a rusty, reddish brown or yellow color with significant impacts to taste and smell.

Funding is needed to make this project affordable, especially because we're a community of less than 1000 people and project costs can't be spread across many households in comparison to larger communities. We fully support the requested funding amount.

Sincerely,

Jim Wartman
