Henderson, Minnesota 56044  
507-248-3811 (Non-Emergency)  
**Emergency Dial 911**

March 8, 2023

To Whom it May Concern:

It has come to my attention that the City of Henderson is seeking Congressional Directed Spending to fund updates to the cities water system, specifically to fund pure water and a filtration project. Due to the many issues the city faces with their water system, on fully support their request for any funding to update the system.

If additional information is needed, please do not hesitate to contact me.

Sincerely
